Explanation

Sahsahoub = الكريم Al Karim the most generous

Mahmahoub = الوهاب Al Wahab The Bestower

Sa'sa' = الرزاق Al Razaq The Sustainer

Please note this is nothing to do with the 'Ifrit Sahsahobi or more accurately his name is Al Sayid Abdul Karim servant of Sarah Al Kawthar.

If you serve this as a severe Riyadha or excercise while fasting like Ramadan as well as going vegan and abstaining from sexual activity for 41 days you will have more ease with your finances than anyone you know. Put your reliance on Allah and if this benefits you then make dua for me that Allah forgives me and my parents and grants us jannatul firdaws.

Frequent questions

Does this work for beginners and inexperienced? Yes insha'Allah follow all the steps and stick with it for 41 days.

What if I miss a day? Don't! Make this a priority for your life.

If I get the results before 41 days like 4 or 5 days? Carry on so that blessings last in sha Allah.

But shaykh I am unable to do this much recitation! Put your reliance on Allah and be decisive in all your actions. Self defeating with negative mindset is overcome by action. Also seek refuge in Allah from Shaytan and his negative whispers.
